

A3002RU repeater setting

It is suitable for : A702R, A850, A3002RU

Application introduction:

Solution about how to set repeater mode on TOTOLINK products.

STEP-1: Enter the setup interface

Connect your computer to the router by cable or wireless, then login the router by entering http://192.168.0.1

into the address bar of your browser.

$\left(\leftarrow\right)$	\rightarrow	G		Q	192.16	8.0.1						\rightarrow

Note:

The default access address varies depending on the actual situation. Please find it on the bottom label of the product.

STEP-2:

User Name and Password are required, by default both are **admin** in lowercase letter. Click **LOGIN**.

	•	orget Passwo
User Name	admin	
Password	•••••	

STEP-3:

Please go to **Operation Mode ->Repteater Mode->wlan 2.4GHz or wlan 5GHz** then Click **Apply.**
