

# N600R Multiple SSID settings

### It is suitable for : N600R, A800R, A810R, A3100R, T10, A950RG, A3000RU

#### **Application introduction:**

Solution about how to configure multiple SSID for TOTOLINK products.

#### STEP-1:

Connect your computer to the router by cable or wireless, then login the router by entering http://192.168.0.1

into the address bar of your browser.

$\leftrightarrow$ $ ightarrow$ $ m C$ $ m G$	Q 192.168.0.1			$\rightarrow$

#### Note:

The default access address varies depending on the actual situation. Please find it on the bottom label of the product

#### STEP-2:

User Name and Password are required, by default both are admin in lowercase letter. Click LOGIN.

## USER LOGIN

#### STEP-3:

Please go to FWireless ->Multiple APs page, and check which you have selected. Select Enable, then Input your own SSID and Key, then Click Add. So you can repeat this operation for Multiple SSID.
